

The Hague, June 2021

Adriaanse Assurantie will continue under the name **Eijgendaal & van Romondt**

Dear Sir, Madam,

Since the start of Adriaanse Assurantie in 1948, we have experienced excellent growth, partly thanks to you for choosing our office. We would hereby like to express our appreciation for this confidence in us. After having worked with EvR (Eijgendaal & van Romondt) for more than ten years now, we will continue under this name from 1 July 2021 onwards. This means that all the documents that you will receive from us from that moment on will bear the EvR logo. At the bottom left you can see the EvR logo. EvR will also take care of the insurance premium collection.

History & Cooperation

When the founder of our company, Mr. J. Adriaanse, took over the insurance office Meijsen, located in Huygensstraat in The Hague, in the spring of 1948, he could not of course have suspected that his name would become a household name in the insurance branch for the next three-quarters of a century; first in the transport sector, later also among international organisations and their employees.

After more than sixty years as an independent intermediary and underwriting agent of five insurance companies, Adriaanse Assurantie became part of the EvR Group in 2010, which also includes insurance office Eijgendaal & van Romondt (EvR).

Of course, a lot has changed, especially in recent decades, due to, among other things, automation, the introduction of the euro and, above all, the rise of the internet. However, the personal attention and independent advice to our clients has remained.

The past decade has been a transition period for us, during which we have been able to make extensive use of EvR's expertise, particularly in the field of mortgages, pensions and employee benefits. In addition, our systems are now fully integrated, so that more colleagues can be of assistance to you, which benefits our services in general.

Given the above, it makes sense for us to continue under the name EvR. As of 1 July 2021, our current name will therefore no longer be used.

What will change for you?

Apart from the name change, the consequences of this change are hardly noticeable for you. The policy numbers, premiums and conditions remain the same. The same employees of Adriaanse Assurantie also work at EvR. What will change are the general telephone number and the e-mail address. From 1 July 2021 we can be reached by telephone under telephone number 070-3105105. If you want to e-mail us, you can do this via info@evr.nl.

Customer portal
